F. Guided tours

Notice for the media wishing to realize a portrayal of the Grand Duchy of Luxembourg

Television crews, cameramen, journalists and photographers, already accredited by the Press and Information Service of the Government, may contact the National Tourist Office (NTO) in order to obtain information for a portrayal of the Grand Duchy of Luxembourg within the framework of the Luxembourg Presidency of the European Union.

Upon request, the NTO, in cooperation with the Luxembourg City Tourist Office and local tourist boards, will provide – free of charge – guided tours meeting with their specific needs. The departure point, time and duration of the guided tour will be determined according to the availability of the media representatives.

For technical reasons, contacting the press service of the NTO several days before arriving in Luxembourg is recommended. As far as possible, an escort may be provided at the last minute.

Furthermore, the NTO will provide the media with photos on CD representing sights of the Grand Duchy of Luxembourg and Luxembourg City. Upon request, television crews will be able to obtain from the NTO a Betacam version of a film of the Grand Duchy of Luxembourg, free of copyright. Please note that a selection of press releases on recent news in the tourist department of the Grand Duchy is listed in the section "Presse professionnelle" of the Internet site www.visitluxembourg.lu (www.ont/presse.lu).

The NTO press service as well as its reception centre at the railway station (open seven days a week, tel: (352) 48 11 99, fax: (352) 42 82 82 30) and the "Luxembourg Presidency" desk at the airport (open seven days a week) are available to the media for all additional information.
