Luxembourg Presidency
of the Council of the European Union

Welcome Note

Häerzlech wëllkomm zu Lëtzebuerg!

It gives me great pleasure to welcome you in Luxembourg for the 30th session of the ACP-EC Joint Ministerial Council.

Several days ago, the ACP Group of States celebrated its 30th anniversary. It was the signature of the first Lomé Convention in 1975 that marked the beginning of formal relations between the ACP Group and the European Community and its Member States.

The collaboration with ACP States is fundamental for the relations of the European Union with developing countries. The Cotonou Agreement, which constitutes the basis of our partnership, is a model for development cooperation: it puts an emphasis on the equality of partners, on ownership by developing countries of development strategies and, last but not least, puts poverty eradication at the centre of our efforts.

The revision of the Agreement, launched at the ACP-EC Council of Ministers in Gaborone in May 2004 and finalised under the Luxembourg Presidency of the Council of the European Union, reinforces these fundamental principles of the Cotonou Agreement and allows to adapt our partnership by taking into account new requirements of development cooperation in an ever changing world.

I am particularly pleased that the signature of the revision of this Agreement, which strengthens the efficiency and the quality of the ACP-EC partnership, will take place in the heart of Europe, in Luxembourg.

I wish you a very pleasant stay in Luxembourg and hope that you will take back very pleasant memories from this important joint Council.

All Guddes !

Jean-Louis SCHILTZ
Minister for Development
Cooperation and
Humanitarian Assistance

F Guided Tours

Notice for the media wishing to realise a portrayal of the Grand Duchy of Luxembourg

Television crews, cameramen, journalists and photographers, accredited may contact the National Tourist Office (NTO) in order to obtain information for a portrayal of the Grand Duchy of Luxembourg within the framework of the Council of the European Union.

Upon request, the NTO, in cooperation with the Luxembourg City Tourist Office and local tourist boards, will provide – free of charge – guided tours meeting their specific needs. The departure point, time and duration of the guided tour will be determined according to the availability of the media representatives.

For technical reasons, contacting the press service of the NTO several days before arriving in Luxembourg is recommended. As far as possible, an escort may be provided at the last minute.

Furthermore, the NTO will provide the media with photos on CD representing sights of the Grand Duchy of Luxembourg and Luxembourg City. Upon request, television crews will be able to obtain from the NTO a Betacam version of a film of the Grand Duchy of Luxembourg, free of copyright.

Please note that a selection of press releases on recent news in the tourist department of the Grand Duchy is listed in the section “Presse professionnelle” of the Internet site www.visitluxembourg.lu (www.ont/presse.lu).

The NTO press service as well as its reception centre at the railway station (open seven days a week, tel.: (352) 48 11 99, fax: (352) 42 82 82 30) and the “Luxembourg Presidency” desk at the airport (open seven days a week) are available to the media for all additional information.
